**NOTE: THIS IS A NEW CONTRACT**

---

This Statewide contract is an "AR" (Authorization Required) contract. Authorization is required before purchase can be made. The Authorization may be obtained from Floyd Ritter at 801-965-3869. Order may be placed only after authorization is received. This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Authorization Required: DAS/ITS (Department of Administrative Services, Division of Information Technology Services) administers purchases from this contract. State agencies (Executive branch) must first coordinate their purchase through DAS/ITS, (applies to equipment only, not accessories). State agencies may contact Floyd Ritter at 801-965-3869 to coordinate their purchase.
